

## **Frequently Asked Questions:**

**Why are there merged or double age groups?** If you come from outside Florida or the South, you may not be used to combined age groups. Our feis entry numbers are lower than other feis' so we have to combine age groups to try and achieve at least 5 dancers, to make the win "count."

**Can you merge more age groups to get to 5 dancers?** Once the first entry deadline passes, we will merge small competitions and split large ones, to give the optimum number of dancers in each competition, where possible.

**Does your feis offer "Second Chance" competitions?** No, but we offer two full feis'.

**Do I have to dance both feis'?** No, you can compete in either or both feis'.

**Do the Saturday winners withdraw from Sunday's competitions?** Many dancers choose to move up a level the next day, if they are successful, but it is not compulsory. Winning dancers have the right to continue competing at that level, until the end of the year.

**If I win on Saturday, can I move up on Sunday?** Yes, you can make changes to your entries for a small change fee. Just go to tabulation.

**Is Sunday a "black out" day?** No, Sunday is alter ego day so dancers can dress in their favorite dress up costume - any color! Or they can choose to wear their dance costumes.

**Do I use a different number for Sunday?** Yes. Your Sunday number should be underlined.

**Can I enter the feis on the day?** Yes, for a late fee. Go to Tabulation (at the Awards Island in the ballroom - Look for Palm trees)

**I made a mistake on entries. Can I change on the day?** Yes, for a small change fee.

**Why can't I enter online anymore?** There is a window of time from the Tuesday before the feis when you can no longer enter online. We shut entries down to print the paperwork. You can still enter at the feis on the day for a late fee.

**Can I enter or change my entry on Friday night?** No, tabulation opens on Saturday at 7:15am.

**How can I pay for on-the-day changes?** We accept cash, checks, Venmo & Paypal.

**Can I get a refund?** Unfortunately, no. Due to the expense of the event (trophies, medals, crystal, sashes, judges, musicians, stages) which are all based on advance entry numbers, and to ensure the financial viability of the event.
